

Communication Objectives of this Report

The Prostitution Licensing Authority (PLA) Annual Report has been prepared to provide readers with a concise summary of the Authority's activities and performance during the 2013-14 year. Our Annual Report serves as the primary mechanism through which we meet our accountability and statutory reporting obligations.

With the needs of all clients and interested parties in mind, the Annual Report provides an overview of who we are, and what we do at strategic and operational levels, as well as where we are aiming to be in the future. Our report aims to build awareness of our operations and confidence in our organisation. It will interest members of federal, state and local governments, industry groups, clients, academia and community groups.

The communication objectives of this report are to:

- create an awareness of the activities that drive the PLA's performance
- demonstrate how the PLA contributes to the Queensland Government's objectives for the community
- inform readers of the PLA's strategic initiatives
- explain how the PLA works and the mechanisms by which the Authority ensures continual improvement
- account for the way in which the PLA has managed its finances
- explain how the PLA complies with legislation and government policies
- inform readers of the ways that the PLA connects with and supports the sex industry.
